**INFORMATIONACKNOWLEDGEMENT**  
**Student's Comment Text**

01 We have processed your application for Federal student aid, or the correction that you submitted electronically through your school. On the back of this page we printed the information we received and a summary of the results of processing that information. We may have assumed certain information to calculate your eligibility for Federal student aid. We printed any assumptions we made and the word “assumed” for those items on the back of this page. Contact your Financial Aid Administrator (FAA) if:

- the assumptions we made are not correct,
- you need to make other corrections,
- we indicate below that we need more information to determine your eligibility,
- we indicate below you are selected for verification, or
- we indicate below you must work with your FAA to resolve some eligibility issues.

You need to give us more information before we can determine your eligibility for Federal student aid.

02  
03 If all the information on this Student Aid Report is correct, you may be eligible to receive a Federal Pell Grant and other Federal student aid in 1998-99. Your FAA will determine whether you meet all other requirements to receive aid. The amount of aid will depend on the cost of attendance at your school, your enrollment status, Congressional budget restrictions, and other factors.

04 You are not eligible for a Federal Pell Grant because you reported that you have a Bachelor’s degree or are a graduate/professional student. However, you may be eligible for other types of aid.

05 Based on the information you gave us, you are not eligible for a Federal Pell Grant. However, you may be eligible for other types of aid.

06 Your application has been selected for review in a process called verification. You must submit to your school signed copies of certain 1997 documents.

07 You must work with your FAA to resolve some issues before the FAA can determine if you are eligible to receive Federal financial aid.

08 You must resolve some issues before we can determine your eligibility for Federal student aid. Unless you are completing verification, it may be too late for you to make corrections or give us any more information this year. If you are still completing verification and you need to correct your Student Aid Report (SAR), contact the FAA at your school for assistance. We must have your corrected SAR no later than August 16, 1999.
